

OUTSCHOOL

Homeschool charter funds checklist

- Work with your education specialist or homeschool teacher to identify an instructional goal for your learner.
- Use [Outschool.com](https://www.outschool.com) to find a class or teacher to support this goal.
- Submit the class link to your ES or HST for approval via the school's request process, leaving about 1-2 weeks for approval before the class begins.
- Make sure to provide them with:
 - The name of the class and section time/date
 - The email associated with your Outschool account
 - Your learner's name and age
- Reach out to support@outschool.com with any questions.
